ENVIRONMENTAL POLICY

Infinity RC Builder Sdn Bhd (“IRC Builder”) is committed to minimizing the environmental impact of our construction activities while promoting sustainable development. As a responsible construction company, we are dedicated to protecting the environment, preventing pollution, and ensuring full compliance with all applicable environmental laws and regulations.

This Environmental Goals:

1. Ensure full compliance with relevant environmental laws and industry standards;
2. Prevent pollution and mitigate environmental risks arising from construction activities;
3. Promote efficient use of energy, water, materials, and other natural resources;
4. Minimize waste and encourage reuse, recycling, and responsible disposal;
5. Promote awareness among employees and subcontractors on environmental responsibilities and best practices.

To achieve our environmental goals, IRC Builder commits to:

1. Sustainable Construction Practices
Implement methods that reduce our carbon footprint, control air and water emissions, and minimize noise and dust pollution at project sites.
2. Waste Management
Ensure proper segregation of construction waste, reduce dependency on non-renewable materials, and promote the reuse, recycling, and safe disposal of waste in accordance with environmental standards.
3. Training and Awareness
Provide environmental awareness and training programs for employees, site teams, and subcontractors to build a culture of sustainability and environmental accountability.

*This policy has been approved by the management and is available on the company’s website and internal computer networking system. The policy shall be reviewed by the management and updated whenever necessary to ensure its effective implementation. Any subsequent amendments to this Policy should be approved by the management.
