

## **Vacancy for Site Engineer**

 **Location:** Johor/ Kuala Lumpur / Klang Valley/ Penang

 **Company:** Infinity RC Builder Sdn Bhd

 **Employment Type:** Full-time

### **Job Responsibilities:**

- Supervise day-to-day site operations, ensuring work is carried out according to drawings and specifications
- Coordinate with supplier, subcontractors and consultants
- Monitor construction progress, quality, and safety compliance
- Conduct site inspections and maintain accurate project documentation
- Assist in resolving site issues and technical challenges promptly
- Prepare weekly and monthly progress reports if required
- Liaise with project managers and ensure timely completion of milestones

### **Requirements:**

- Degree/Diploma in Civil Engineering or related field
- Minimum 1–3 years working experience in construction (fresh graduates are welcome to apply)
- Strong understanding of reinforced concrete and structural works
- Familiar with engineering drawings, project coordination, and site problem-solving
- Excellent communication and organizational skills
- Able to work independently, under pressure, and meet deadlines
- Willing to travel or be stationed at project sites (if required)

### **What We Offer:**

- 🏆 **Competitive Salary** – Based on experience and performance
- 🏆 **Performance Bonus** – Project-based rewards and annual performance incentives
- 🏆 **Career Growth** – Opportunities to handle bigger projects and upskill through training
- 🏆 **Hands-On Experience** – Be involved in real site operations, not just paperwork
- 🚗 **Travel Allowance / Mileage Claims** – For project site visits (if applicable)
- 📱 **Mobile Allowance** – Stay connected on-site and in the office
- 🌳 **Paid Annual Leave & Public Holidays** – Work-life balance matters
- 👥 **Supportive Team Culture** – We value collaboration, positivity, and personal growth
